

F PUBLIC CONSULTATION WEBSITE

The following spread depicts the consultation website which went live on 27th July 2020 and remained active until Wednesday 9th September. Local residents were urged to visit the website, download the draft version of the Design Codes and browse through the document. They were able to submit their responses via an email address which was included on both the consultation leaflet (Appendix E) and on the website. Local residents were also encouraged to complete the online questionnaire (Appendix G).

If you are unable to attend either of the Online Public Consultation Events but would like to comment on the Design Codes, you can also email your comments to consultationseq@n-kesteven.gov.uk stating 'SEQ Design Code Consultation' in the subject.

If you would prefer to post your comments, please send them to the following postal address:
**Lincoln SEQ Design Codes Consultation, Planning Department,
North Kesteven District Council, Kesteven Street, Sleaford, NG34 7EF**

The site is allocated for development in the adopted Central Lincolnshire Local Plan (April 2017) to deliver a total of 3,500 new homes by 2036, with further potential to deliver a total of 6,000 dwellings. The SEQ will also see the development of a District Centre and Local Centre, as well as 7 hectares of new employment land, and the provision of several new primary and secondary schools.

NKDC have prepared a draft Design Code for the SEQ. The Design Code is a document which illustrates a set of detailed design principles for the design of the new homes, community facilities and open space at the SEQ.
