Notice is hereby given, in accordance with regulation 22(3) of the Town and Country Planning (Local Planning) (England) Regulations 2012, that the Central Lincolnshire Joint Strategic Planning Committee (CLJSPC) has submitted the Central Lincolnshire Local Plan Development Plan Document (DPD) to the Secretary of State for Communities and Local Government.

Copies of the following are available for inspection at www.central-lincs.org.uk and at the reception of North Kesteven District Council, Kesteven Street, Sleaford, NG34 7EF (during normal opening hours):

- the Central Lincolnshire Local Plan DPD (Submission Version, which is identical to the Proposed Submission version, and labelled as such)
- the Submission Policies Map (which is identical to the Proposed Submission version, and labelled as such)
- the report of the Integrated Impact Assessment, incorporating Sustainability Appraisal, of the document (which is identical to the Proposed Submission version, and labelled as such)
- a Consultation Statement, dated April 2016, outlining consultation procedures in the preparation of the document prior to the Proposed Submission stage
- a document entitled Proposed Submission Local Plan Key Issues Raised (June 2016), which sets out a summary of representations made at the Proposed Submission stage and main issues raised in those representations.

Copies of the full representations made at the Proposed Submission stage, together with a wide range of other evidence reports, are available for inspection via www.central-lincs.org.uk and at the offices of North Kesteven District Council, by prior arrangement through telephone 07973 916952.

For the avoidance of doubt, this is NOT a notice advertising that the Local Plan is currently subject to a round of public consultation; it is merely a notice stating that the Proposed Submission Local Plan as already consulted upon in April – May 2016 has been submitted for independent examination.
