

To: Councillors and planning and development officers of both Lincoln City and Lincolnshire County Council

We respectfully ask that:

- 1) Councillors and planning and development officers of both Lincoln City and Lincolnshire County Council look again at the special policy zone of Long Leys Urban Village as defined by the current 1998 City of Lincoln plan,
- 2) and that this special status be confirmed and carried forward into the Lincolnshire Plan currently in development, specifically with regard to the limitation to B1 business use.
