Call for Affordable Housing Land – Register of Interest Form

Please use this form to provide details of land which may be suitable for the development of affordable housing. All sites which are registered will be considered for suitability against planning policy criteria, in consultation with the relevant Parish Council.

If you would like to register your land please complete and return this form to:

Jane Bartle
Housing Strategy and Enabling Officer
North Kesteven District Council
Kesteven Street
Sleaford, Lincs. NG34 7EF
Tel: 01529 414155 ex 28049
Email: jane_bartle@n-kesteven.gov.uk

1. Please provide the landowner's details.

Mr / Mrs / Ms / Miss (please circle) Initials _____ Surname _____

Address _____

Postcode _____ Email _____

Telephone number _____ Mobile _____

1.1 Please provide your details (if you are not the landowner).

2. Please state address/location of the potential affordable housing land you wish to register.

3. What is the approximate size of land potentially available? (Please state Hectare or Acre or dimensions in metres). Please include a site map, if possible.

4. Are there any factors which mean the site is not currently available for development now (eg the land is tenanted for a fixed period of time)? If so, please state when the site would be available.

5. Please tell us any other relevant information (current land use, previous planning applications or permissions, potential flood risk, likelihood of contamination etc). If you have not got a site plan please sketch an approximate location of the site.

6. Please tell us where you heard about the call for land registration.

Thank you for completing this form.

Please note that all information provided will be discussed with the relevant Parish Council and Registered Providers (Housing Associations who may be interested in developing the site). Sites registered for this process may also be publicised by the Parish Council for comments from residents in the parish.

A copy will also be forwarded to the Central Lincolnshire Local Plans Team who are required to identify potential housing development land for the Local Plan process.
