Concessions continued...

Please note: Not all concessions are valid for all application types. Upon receipt of your application, the local authority will check the fee is correct and if the concession is applicable.

Exemptions from payment continued...

If the application relates to a condition or conditions on an application for Listed Building Consent or planning permission for relevant demolition in a Conservation Area

If the application is for a Certificate of Lawfulness of Proposed Works to a listed building

If an application for planning permission (for which a fee is payable) being made by the same applicant on the same date for the same site, buildings or land as the prior approval application (for larger home extensions, additional storeys on a home, or change of uses)

Reductions to payments

If the application is being made on behalf of a non-profit making sports club for works for playing fields not involving buildings then the fee is £462

If the application is being made on behalf of a parish or community council then the fee is 50%

If the application is an alternative proposal being submitted on the same site by the same applicant on the same day, where this application is of lesser cost then the fee is 50%

In respect of reserved matters you must pay a sum equal to or greater than what would be payable at current rates for approval of all the reserved matters. If this amount has already been paid then the fee is £462

If the application is for a Lawful Development Certificate for a Proposed use or development, then the fee is 50%

If two or more applications are submitted for different proposals on the same day and relating to the same site then you must pay the fee for the highest fee plus half sum of the others

Fees for cross boundary applications

Where an application crosses one or more local or district planning authorities.

- The amount due is usually 150% of the 'single' fee that would have been payable for the proposed development (as if there had only been one application to a single authority covering the entire site); unless
- The 'total' fee (the sum total of each separately calculated fee for each part of the development within each authority's boundary) is smaller. In which case this 'total' fee is the fee due

In either case, the fee should be paid to the authority that contains the larger part of the application site within its boundary.
