Ruskington District Ward

Polling District(s)	County Division	Current Polling Place	Total Electorate	Number of Postal Voters	Polling Station Electorate	Proposed Change / Comments	Final Recommendations for Polling Arrangements
OA001 - Ruskington (Pt 1)	Ruskington	Winchelsea Centre, High Street North, Ruskington	1,508	239	1,269	Propose to use the Ruskington Methodist Church as the only Polling Place. The proposal is to use the Church area to accommodate 2 polling stations (for polling districts OA001 and OA002 which currently use the Winchelsea Centre), and the Hall area as a polling station for OA003 (currently use the Methodist Church Hall). Given the close proximity of the two current polling places, this should help alleviate voter confusion.	The only designated polling place for Ruskington polling districts to be Ruskington Methodist Church. This venue is large enough to accommodate the 3 polling stations required, meaning all voters go to the same polling place, thus alleviating the need to hire a different building to use as a polling station which is just a short distance away.
OA002 - Ruskington (Pt 2)	Ruskington	Winchelsea Centre, High Street North, Ruskington	1,520	171	1,349		
OA003 - Ruskington (Pt 3)	Ruskington	Ruskington Methodist Church Hall, Chapel Street, Ruskington	1,438	197	1,241		

Consultation Feedback

Councillor Richard Wright, District Ward Member – supports the new polling station arrangements. Having one polling place is practicable as there is often confusion as to which polling place to go to. For the first election to be held after the new polling arrangements have been made, a sign would need erecting at the entrance of the Winchelsea Centre carpark notifying electors of the change.

Councillor Terry Boston, District Ward Member – agrees with Councillor Wright's comments.
