

If you are holding a Platinum Jubilee event and want to raise money for a good cause, the Lincolnshire appeal for the support of Ukrainian refugees would be grateful for any financial assistance you and your guests can give.

It's run by the Lincolnshire Community Foundation - www.lincolnshirecf.co.uk - in order to build and express a Big Lincolnshire Welcome and has the potential to make a life-changing and life-enhancing difference to Ukrainian guests of all ages settling and re-building their lives in Lincolnshire right now.

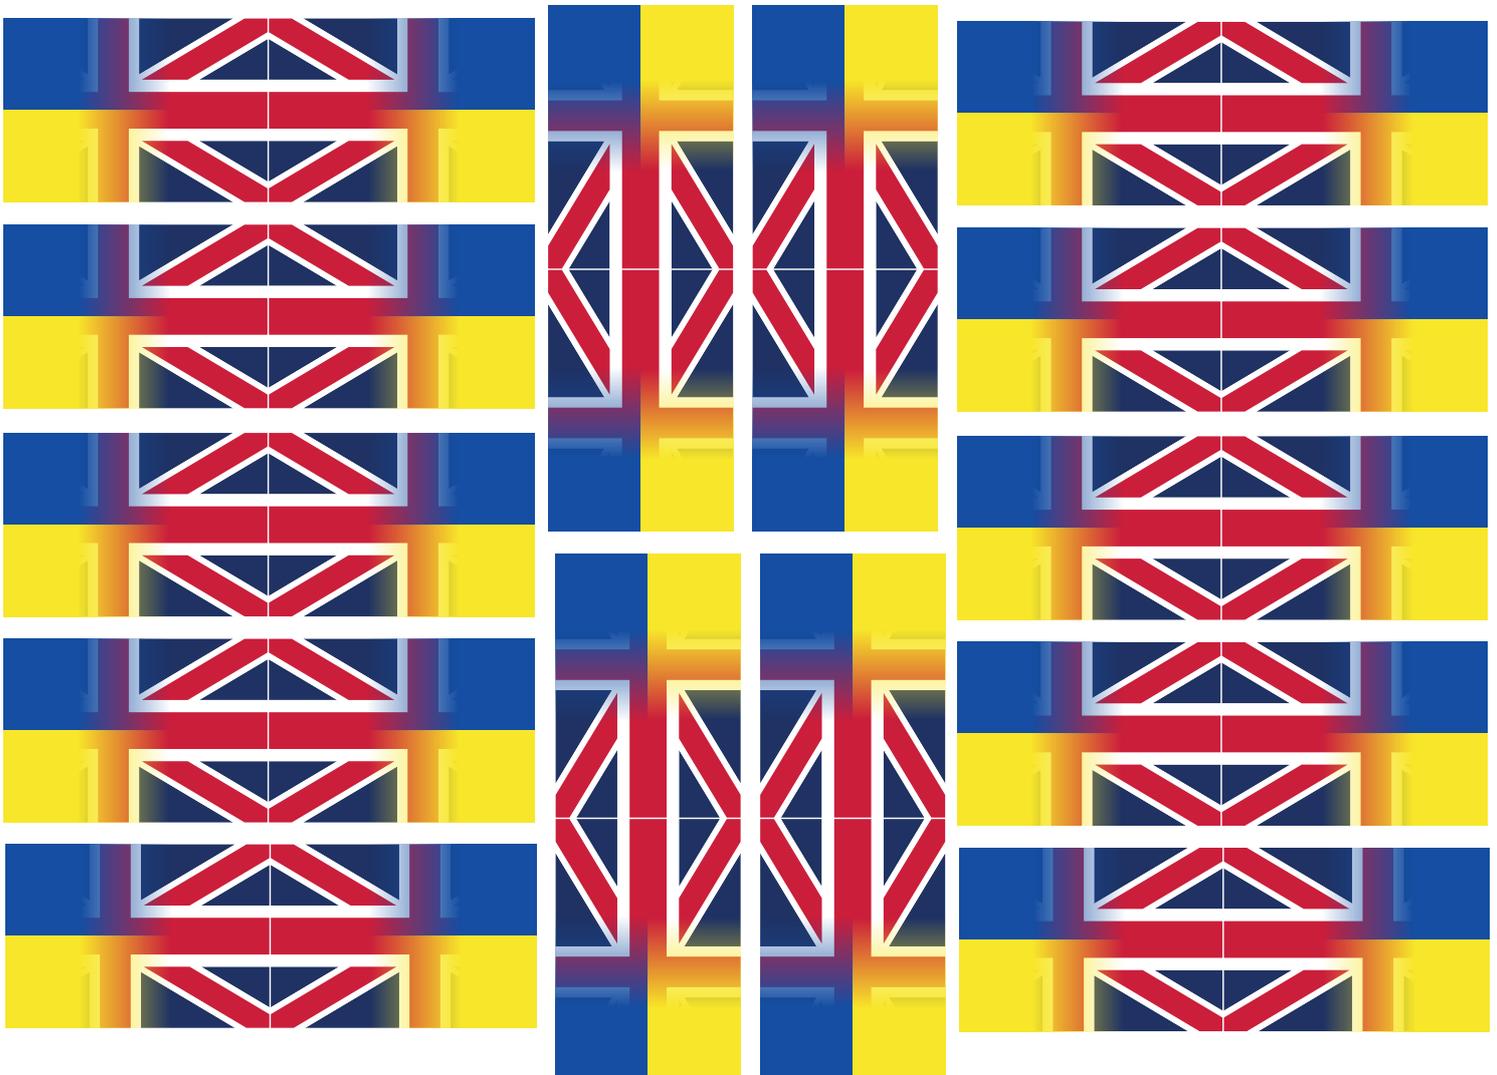

The appeal can be found at:
www.totalgiving.co.uk/appeal/LincolnshireCF-Ukraine

In addition to the creation of a joint Lincolnshire and Ukraine flag graphic to exemplify the Big Lincolnshire Welcome, specially for the Jubilee we've created this Union Jack and Ukraine flag combo to download and print for mini-cake toppers (cut out, fold and stick around a cocktail stick) or DIY hand flags (cut out, fold and stick around a straw, skewer or other stick).

We hope you have fun with them.

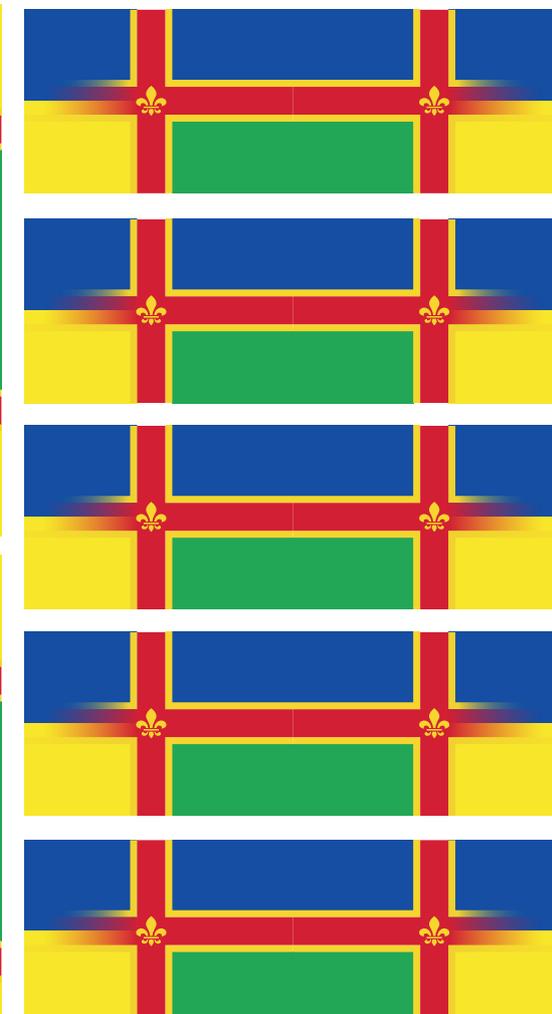

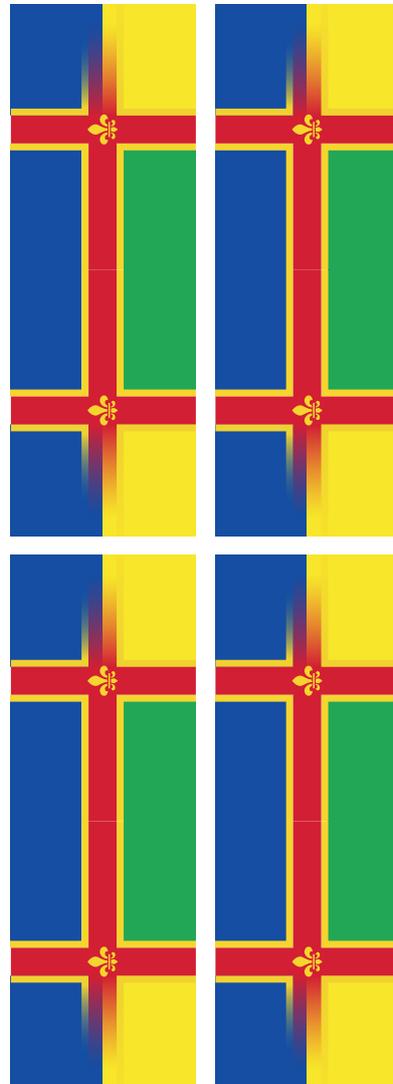

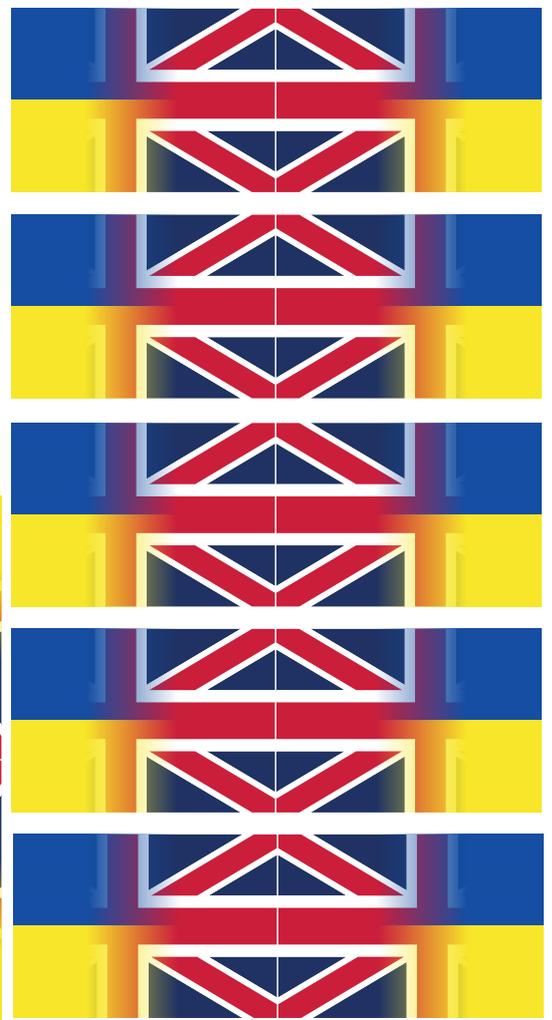

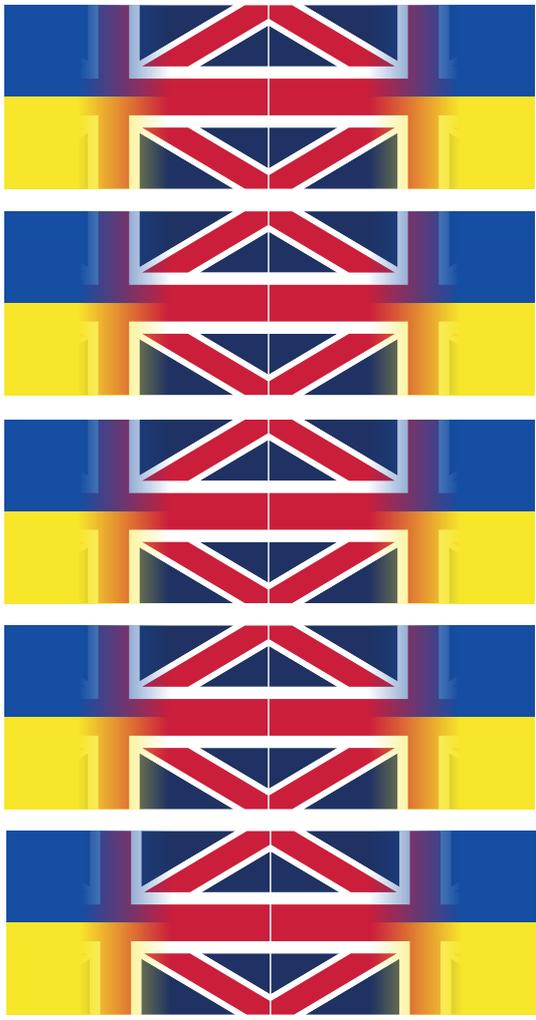

Tag us in any pictures **#BigLincsWelcome** and if you can, please make a donation to the appeal.
