

Local Election Practice Ballot Paper Easy Read Guide

Understanding this ballot paper

A **ballot paper** is a form that people fill out to show their choice about important things. This ballot paper is for you to choose your next **local parish, district or county councillor**.

There are different types of councils that are responsible for different services or facilities. Local parish councils run things like community car parks, public toilets and litter bins.

District councils run things like council housing, recycling, leisure facilities and local planning. County councils run things like schools, transport, social services and waste management.

The elected councillor for your parish, district or county council will be in charge of the above things for your area, depending on how big it is.

The box below the title tells you how to vote on the ballot paper. You need to mark an X next to the person you want to choose. The ballot paper will tell you how many people you can vote for.
