## 1.0 Introduction

- 1.1 The Town and Country Planning (Local Planning) (England) Regulations 2012, Regulation 34 requires Local Planning Authorities to produce an Authority Monitoring Report (AMR). This AMR is structured around meeting the requirements of Regulation 34.
- 1.2 Compliance with this Regulation builds on the monitoring reports produced and published for the District historically between 2005 and 2016 under the title 'Annual Monitoring Report'.
- 1.3 During this monitoring period, the Authority, along with its partner authorities, City of Lincoln Council and West Lindsey District Council, has adopted the Central Lincolnshire Local Plan. This document sets out the strategic planning policies for the area, including the housing requirement, and growth distribution.
- 1.4 For the purposes of this 2018/19 monitoring report, the following key documents relevant during this period will be referenced:

Central Lincolnshire Local Plan Adopted April 2017

Central Lincolnshire Local Development Scheme (LDS) 2019

The above documents are available to view at the Central Lincolnshire Local Plan website <http://www.central-lincs.org.uk/> and [www.n-kesteven.gov.uk](http://www.n-kesteven.gov.uk)

- 1.5 The source of the information used in this report is North Kesteven District Council unless otherwise stated.
- 1.6 This AMR covers the period 1st April 2018 to 31st March 2019.

## Key findings of this Monitoring Report

- 1.7 The following summarise the key findings of this AMR:
  - During 2018/19 progress on the Central Lincolnshire Local Plan is summarised as follows:
    - The 2012-2036 Central Lincolnshire Local Plan was adopted by the Central Lincolnshire Joint Strategic Planning Committee on 24th April 2017.
  - During the monitoring period:
    - 698 new homes were completed (net);
    - There were 147 affordable housing completions (gross);
    - At 31st March 2019, North Kesteven has a deliverable housing supply of 4,365 dwellings;

- 36,545 square metres of new employment floor space was completed;
- 3,379.5 square metres of development was completed for town centre uses;
- There is a total area of 120.72 hectares of land designated as Local Nature Reserves in North Kesteven;
- There are seven Sites of Special Scientific Interest totalling an area of 156.89 hectares. 89.7% of this land is in favourable or unfavourable but recovering condition;
- There are 161 Local Wildlife Sites and eight Local Geological Sites with 33% of these locally designated sites in positive conservation management status.

### ***Detailed Portrait of North Kesteven***

- 1.8 Detailed information on topics such as population, households, economy, health and education can be found in the District Area profiles published by the Lincolnshire Research Observatory <http://www.research-lincs.org.uk/area-profiles.aspx>

### ***Location***

- 1.9 North Kesteven is one of seven districts located in the centre of Lincolnshire and covers an area of 356 square miles. The district is characterised by small settlements and large areas of arable farmland. There are many small villages and several larger service villages. The main concentration of residents are located however in the market town of Sleaford, with a population of over 17,000 and North Hykeham, which adjoins the neighboring City of Lincoln.

## **Population**

1.10 The table below sets out countywide information on population change. There has been a 0.7% increase in population between 2017 and 2018 according to the Office for National Statistics (ONS) mid-year estimates. This is lower than the increase of 1.4% last year. An estimated rise from 108,500 in 2011 to 115,985 in 2018 is recorded for North Kesteven.

**Table 1 – Lincolnshire and Districts Population Estimates 2011 to mid-2018**

Local Authority Area	2011 Census	2012 mid-year estimate	2013 mid-year estimate	2014 mid-year estimate	2015 mid-year estimate	2016 mid-year estimate	2017 mid-year estimate	2018 mid-year estimate	% change 2012-2018	% change 2017-2018

## 2.0 Authority Monitoring Reports and the Local Planning Regulations 2012

### **Regulation 34(1) – Local Plan and Supplementary Planning Document (SPD) Progress**

34. (1) A local planning authority's monitoring report must contain the following information—

(a) the title of the local plans or supplementary planning documents specified in the local planning authority's local development scheme;

(b) in relation to each of those documents—

(i) the timetable specified in the local planning authority's local development scheme for the document's preparation;

(ii) the stage the document has reached in its preparation; and

(iii) if the document's preparation is behind the timetable mentioned in paragraph (i) the reasons for this; and

(c) where any local plan or supplementary planning document specified in the local planning authority's local development scheme has been adopted or approved within the period in respect of which the report is made, a statement of that fact and of the date of adoption or approval.

- 2.1 A Local Development Scheme (LDS) is the project plan setting out the timetable for the delivery of any Development Plan Documents (DPD) or 'Local Plans' for an area that the Local Planning Authority intends to produce. Since the establishment of the Central Lincolnshire Joint Planning Committee in 2011 the District has been working jointly with neighbouring Districts, Lincoln City Council and West Lindsey District Council to produce a Joint Local Plan.
- 2.2 The 2012-2036 Central Lincolnshire Local Plan was adopted by the Central Lincolnshire Joint Strategic Planning Committee on 24th April 2017.
- 2.3 On 14 January 2019 the Central Lincolnshire Joint Strategic Planning Committee approved a review of the 2012-36 Central Lincolnshire Local Plan and a new LDS was adopted, replacing the 2017 LDS.
- 2.4 This 2019 Central Lincolnshire LDS sets out the timetable for any DPDs to be prepared for the period 2019 to 2022. It explains the key stages in the preparation of the revised Local Plan (see Table 2).

**Table 2 – January 2019 Local Development Scheme Local Plan Review Stages**

Stage	Description	Date stage will/is to take place
Public Participation (Regulation 18)	Opportunities for interested parties and statutory consultees to consider the options for the plan before the final document is produced. This stage can involve one or more public consultation rounds. We intend two rounds for the Central Lincolnshire Local Plan	June-July 2019 & February-March 2020
Pre-submission Publication (Regulation 19)	The Joint Committee publishes the Local Plan which is followed with a 6 week period when formal representations can be made on the Local Plan	October-November 2020
Submission (Regulation 22)	The Joint Committee submits the Local Plan to the Secretary of State together with the representations received at Regulation 19 stage	December 2020
Independent Examination Hearing	Held by a Planning Inspector into objections raised at Regulation 19 stage on the Local Plan	April-June 2021 (estimate – dates set by Inspector)
Inspector's Report Issued	This will report whether the Plan is 'sound' or 'not sound'. The Inspector may make recommendations to make the plan 'sound'	August 2021 (estimate)
Adoption of the DPD) Local Plan	Final stage, the Council will formally need to adopt the Local Plan and it will then be used in making planning decisions	September 2021 (dependent on timescales for examination)

### **Regulation 34(2) Non-Implementation of a Policy**

*34. (2) Where a local planning authority are not implementing a policy specified in a local plan, the local planning authority's monitoring report must—*

*(a) identify that policy; and*

*(b) include a statement of—*

*(i) the reasons why the local planning authority are not implementing the policy; and*

*(ii) the steps (if any) that the local planning authority intend to take to secure that the policy is implemented.*

2.5 The Council is implementing all policies in the Central Lincolnshire Local Plan and carrying out the monitoring of these policies each financial year, since the adoption of the plan.

## 3.0 Housing in North Kesteven

### **Regulation 34(3) – Net Additional Dwellings**

*34. (3) Where a policy specified in a local plan specifies an annual number, or a number relating to any other period of net additional dwellings or net additional affordable dwellings in any part of the local planning authority's area, the local planning authority's monitoring report must specify the relevant number for the part of the local planning authority's area concerned—*

*(a) in the period in respect of which the report is made, and*

*(b) since the policy was first published, adopted or approved.*

- 3.1 The Local Plan identifies a total of 36,960 dwellings to be completed during the Plan period across the whole of the Central Lincolnshire area with an annual net completion figure set at 1,540 dwellings per year. This figure however is for all three Districts that make up the Central Lincolnshire Local Plan area and is not separated out at District level.
- 3.2 It is confirmed that 698 net additional dwellings were completed in the monitoring period and in terms of affordable dwellings, 147 (gross) were completed.
- 3.3 It is not currently possible to monitor *net* affordable dwellings completed, as data is not available for affordable dwelling losses and indirect gains. By its nature such data is difficult to collect as the Local Authority is not notified of conversions to a non-affordable dwelling or vice versa as a matter of course. The Authority does however have data on council house losses from stock through the 'Right to Buy' which is shown in Table 9.
- 3.4 In respect of Regulation 34(3)(b), the net cumulative total and annual average completions since 2012/13 is also set out.
- 3.5 Over the past few years significant time and resources has been invested to improve the monitoring processes and work has been done to make sure that the data contained within the five year land supply report is up to date and accurate. Therefore the net housing figures reported have been altered to reflect this additional work carried out to ensure that the data and evidence base is effective and accurate. The figures published in relation to housing provision in the previous reports should therefore be replaced with the data provided in this report.

**Table 3 – North Kesteven net dwelling completion totals**

Please note – Figures in brackets are those previously reported, however following extensive work on the monitoring processes, the figures in bold are the corrected figures and should be utilised.

<b>Net dwelling completion totals</b>	<b>2012/13</b>	<b>2013/14</b>	<b>2014/15</b>	<b>2015/16</b>	<b>2016/17</b>	<b>2017/18</b>	<b>2018/19</b>

### ***Gypsy and Traveller Pitches***

- 3.6 The Central Lincolnshire Gypsy and Travellers Accommodation Assessment 2013 summarises accommodation needs in Central Lincolnshire and North Kesteven. Seven additional pitches within North Kesteven were identified as being required in the first five years (2013-2018). Monitoring information relates to the delivery of pitches for gypsy and traveller families. For the purposes of monitoring, a pitch is defined as an 'area of land demarked for the use as accommodation by a single gypsy and traveller household, sometimes including extended families which may require space, within one pitch, to provide for more than one caravan.' (Core Output Indicators - Update 2/2008).
- 3.7 Table 7 details the net total number of pitches available for use in North Kesteven since 2012/13. For the 2018/19 monitoring period there were no additional pitches granted planning permission in the district. A planning application for the siting of two mobile homes on Eagle Road in North Scarle (17/1199/FUL) was refused in November 2017 and an appeal was dismissed in February 2019 which falls within this current monitoring period.

**Table 7 – Gypsy and traveller and travelling show people pitches in North Kesteven**

Net pitches for gypsy and traveller granted planning permission	2012/13	2013/14	2014/15	2015/16	2016/17	2017/18	2018/19	Current total
Permanent planning permission	0	0	0	0	0	0	0	28
Temporary planning permission	0	0	0	0	0	0	2	0
Caravans on travellers own land – ‘tolerated’	0	2	2	2	2	2	2	2

### **Affordable Housing Completions (Gross)**

3.8 Affordable housing is monitored as gross completions (see earlier commentary). Between 1st April 2018 and 31st March 2019 there were 147 affordable dwelling completions which represents 21.1% of total net dwelling completions in that year.

3.9 Table 8 sets out affordable housing completions over the past seven years.

**Table 8 – Affordable Housing Completions (Gross) 2012-2019**

*Please note – Figures in brackets are those previously reported, however following extensive work on the monitoring processes, the figures in bold are the corrected figures and should be utilised.*

Gross affordable dwellings completed	2012/13	2013/14	2014/15	2015/16	2016/17	2017/18	2018/19
Total net number of all dwellings completed	<b>348</b> (322)	<b>379</b> (239)	<b>458</b> (447)	473	468	577	698
Gross number of affordable dwellings completed	148	15	88	76	101	105	147
Percentage of total dwellings completed that are affordable	<b>42</b> (46)	<b>4</b> (6)	<b>19.2</b> (19.7)	16.1	21.6	18.2	21.1

## **Right to Buy Sales**

3.10 North Kesteven District Council currently owns 3,833 homes. 26 properties have been sold during the monitoring period under the Right to Buy scheme.

**Table 9 – Right to buy sales of publically owned housing stock in North Kesteven**

<b>Right to buy sales</b>	<b>Total stock</b>	<b>Gross right to buy sales</b>	<b>Cumulative right to buy sales</b>
2012/13	3832	18	18
2013/14	3828	17	35
2014/15	3830	10	45
2015/16	3884	25	70
2016/17	3869	28	98
2017/18	3851	34	132
2018/19	3833	26	158

## **Housing Land Supply in North Kesteven**

3.11 At 31st March 2019, North Kesteven has a deliverable housing supply of 4,365 dwellings. This figure identifies the number of homes expected to be delivered in North Kesteven leading up until end of March 2025.

3.12 The Central Lincolnshire Five Year Land Supply Report for 1 April 2020 to 31 March 2025 was published in October 2019. This confirms that Central Lincolnshire has 5.35 years of housing supply. The five year land supply report can be viewed on the Central Lincolnshire Local Plan website at <https://www.n-kesteven.gov.uk/central-lincolnshire/planning-policy-library/>

## **Regulation 34(4) – Neighbourhood Planning**

*34. (4) Where a local planning authority have made a neighbourhood development order or a neighbourhood development plan, the local planning authority's monitoring report must contain details of these documents.*

3.13 During the monitoring period, two Neighbourhood Plans have been adopted. These are North & South Hykeham and Billingham. All Neighbourhood Plans can be found online at <https://www.n-kesteven.gov.uk/residents/living-in-your-area/localism-your-community/neighbourhood-plans>

Work is continuing on Bracebridge Heath, Branston & Mere, Silk Willoughby, Dorrington, Scopwick & Kirkby Green, Leasingham & Roxholm, Eagle and Sleaford

& Kirkby La Thorpe Neighbourhood Plans, all of which have an area designated.

**Table 10 – Neighbourhood Plans 2018/19**

Monitoring year	Number of Neighbourhood Plan areas designated	Total Number of Neighbourhood Plan areas designated	Number of Neighbourhood Plans adopted
2012/13	1	1	0
2013/14	1	2	0
2014/15	5	7	0
2015/16	3	10	1
2016/17	4	14	1 ( <i>this was reported as 2 last year, but figure was incorrect</i> )
2017/18	0	14	4
2018/19	2	16	2

Table 11 reports that £2,167,421.50 was collected from developers during 2018/19. Throughout this reporting year, £2,190,529.24 was released to Lincolnshire County Council's highways and education departments and to various parish councils for highways and education provisions.

**Table 11 – S106 monies collected and released during 2018/19**

Infrastructure item	Amount collected (£)	Amount released (£)
POS including play equipment or maintenance	241,324.62	0
Education	1,578,834.20	2,028,158.40
Highways	48,879.54	162,370.84
NHS	163,383.22	0
Affordable housing	135,000	0
<b>Total</b>	<b>2,167,421.58</b>	<b>2,190,529.24</b>

The total amount held and carried forward as at 31st March 2019, including the previous monitoring year is £1,588,156.90.

### **Regulation 62(4) – Community Infrastructure Levy (CIL)**

34. (5) Where a local planning authority have prepared a report pursuant to regulation 62 of the Community Infrastructure Levy Regulations 2010(2), the local planning authority's

*monitoring report must contain the information specified in regulation 62(4) of those Regulations:*

- (a) the total CIL receipts for the reported year;*
- (b) the total CIL expenditure for the reported year;*
- (c) summary details of CIL expenditure during the reported year including—*
  - (i) the items of infrastructure to which CIL (including land payments) has been applied,*
  - (ii) the amount of CIL expenditure on each item,*
  - (iii) the amount of CIL applied to repay money borrowed, including any interest, with details of the infrastructure items which that money was used to provide (wholly or in part),*
  - (iv) the amount of CIL applied to administrative expenses pursuant to regulation 61, and that amount expressed as a percentage of CIL collected in that year in accordance with that regulation; and*
- (d) the total amount of CIL receipts retained at the end of the reported year.*

3.14 For the purpose of Regulation 64(2), it is confirmed that the Authority has adopted CIL.

The CIL charging regime came into force in North Kesteven on 22nd January 2018. For 2018/19 the following income and expenditure is recorded:

- Total CIL liability was £530,978.41;
- Total CIL receipt was £173,566.29;
- Total CIL expenditure was £27,605.83;
- Total CIL receipts retained at the end of the financial year £145,960.46.

## **Regulation 34(6) – Duty to Cooperate**

34. (6) Where a local planning authority have co-operated with another local planning authority, county council, or a body or person prescribed under section 33A of the Act, the local planning authority's monitoring report must give details of what action they have taken during the period covered by the report.

### ***Duty to Cooperate: joint plans or other applicable strategies***

- 3.15 The 'Duty to Cooperate' requires Local Planning Authorities and prescribed public bodies to work together, through engaging constructively, actively, and on an ongoing basis, with regard to strategic matters and supporting activities that relate to the preparation of development plan documents. A strategic matter is defined as sustainable development or use of land or infrastructure that has or would have a significant impact on at least two planning areas.
- 3.16 The NPPF, builds on the requirements of the Localism Act, stating that public bodies have a duty to co-operate on planning issues that cross administrative boundaries.
- 3.17 During the monitoring period the Central Lincolnshire Joint Strategic Planning Committee adopted the Central Lincolnshire Local Plan.
- 3.18 A report on how the production of the Local Plan has been prepared in compliance with the Duty to Cooperate requirement can be downloaded (document E052 and E052a) from the Central Lincolnshire website at <http://www.lincolnshire.gov.uk/central-lincolnshire/planning-policy-library/126952.article>

## **4.0 The Economy in North Kesteven**

### ***Additional employment floor space***

- 4.1 This indicator relates to the amount of new floorspace completed within the monitoring period.
- 4.2 A piece of secondary legislation groups types of use of premises into classes, so that no planning permission is required if a building is changed from one use to another within the same class. Employment land for the purposes of this monitoring indicator is defined as uses B1, B2 and B8 (see table below for categories).
- 4.3 Table 12 shows the additional floorspace created for employment in North Kesteven over the period from 1st April 2012 to 31st March 2019.
- 4.4 36,545 square metres of additional employment floorspace was completed during the monitoring period.

**Table 12 – additional employment floor space**

Amount of employment floorspace developed (sqm)							
Land use type	2012/13	2013/14	2014/15	2015/16	2016/17	2017/18	2018/19
B1	6896.98	957	1380.60	1851	1121	1685.5	4273.1

Mixed	21	100	70	42	7.4	0.5	87.32

### ***Employment Land***

- 4.5 2018/19 has seen a significant amount of developments completed in comparison to previous years, this was expected due to a number of developments that have been under construction over a number of years.
- 4.6 A total of 12.203ha of employment land was developed in 2018/19 which is significantly higher than last year of 3.59ha and indeed other previous years. However a number of significant developments that have been completed include speculative units at St Modwen's Park Lincoln (over 3ha), extension to Siemens at Teal Park, new premises for Small Beer on Churchill Business Park, Phase 5 of Lincoln Enterprise Park, The Depot at Metheringham and the completion of new premises for Lincoln Precision Engineering on Discovery Park, North Hykeham. In addition, a number of B8 agricultural buildings have been developed within the district.
- 4.7 The amount of 'employment land available by type' figure has been calculated based on land available in 'Strategic Employment Sites' and 'Established Employment Areas' identified in the adopted Central Lincolnshire Local Plan alongside other sites with planning permission not started in the rest of the District.

### **Completed floor space for ‘town centre uses’**

- 4.8 This information relates to the amount of floor space created for ‘town centre uses’. The town centre data in the table below is for Sleaford and North Hykeham combined and for town centre uses in the rest of the District.
- 4.9 The total amount of floor space developed within the town centre for A1, A2 and D2 is comparable to previous years. This is mainly due to the completion of a new Prayer Hall in Sleaford. The figure for the rest of the District is significantly higher than usual and this is due to the completion of a new Coop store in North Hykeham, a Trampoline Club opening in Sleaford, new Hairdressers in Ruskington and an extension to Branston Hall.

**Table 14 – Floor space developed for ‘town centre uses’**

Town Centre uses developed (A1, A2 & D2) (sqm)							
	2012/13	2013/14	2014/15	2015/16	2016/17	2017/18	2018/19
In Town Centre	859	146	73	846.4	335	1601.7	756
Rest of District	323.5	1919	1265	1573	2655.95	37.47	2623.5
<b>Total</b>	<b>1182.5</b>	<b>2065</b>	<b>1338</b>	<b>2419.4</b>	<b>2990.95</b>	<b>1639.17</b>	<b>3379.5</b>

## **5.0 The Environment in North Kesteven**

### ***European or International Designations***

#### **Special Areas of Conservation (SAC)**

- 5.1 SACs are sites designated under the EU Habitats Directive (Council Directive 92/43/EEC on the Conservation of Natural Habitats and of Wild Fauna and Flora). North Kesteven contains no areas of land covered by SACs.

#### **Special Protection Areas (SPA)**

- 5.2 SPAs are sites designated under the EU Birds Directive (Council Directive 79/409/EEC on the Conservation of Wild Birds). North Kesteven contains no areas of land covered by SPAs.

#### **Ramsar Sites**

- 5.3 Ramsar sites are sites designated under the Ramsar Convention on Wetlands of International Importance. North Kesteven contains no areas of land covered by Ramsar sites.

## National Designations

### Local Nature Reserves (LNR)

- 5.4 LNRs are designated by Natural England and the relevant local authority. They are publicly accessible areas. There are three Local Nature Reserves in North Kesteven. No new Local Nature Reserves have been declared.

**Table 15 – Local Nature Reserves (LNRs) in North Kesteven**

LNRs	Total area (ha)
Lollycocks Field, Sleaford	2.15
Mareham Pastures	11
Whisby Nature Park, Whisby	107.57

**Table 16 – LNRs per 1,000 people in North Kesteven**

Information on LNRs	Data
LNR total area in North Kesteven (ha)	120.72
Population in North Kesteven (figure from ONS 2018 mid-year estimates)	115,985
LNR area per 1,000 people (ha)	1.04

### Sites of Special Scientific Interest (SSSI)

- 5.5 SSSIs are protected under the Wildlife and Countryside Act 1981. There are seven SSSIs in North Kesteven including Potterhanworth Wood, High Dyke, Metheringham Heath Quarry, Wilsford Heath Quarry, Wilsford & Rauceby Warrens, Copper Hill and Doddington Clay Woods.

### SSSI Condition Assessment

- 5.6 SSSIs are divided up into areas known as SSSI units and these units are monitored for their condition by Natural England. The condition of a SSSI unit is deemed to fall into one of five categories – favourable, unfavourable recovering, unfavourable no change, unfavourable declining and destroyed/part destroyed. The condition of SSSIs in the district is shown below by percentage area of total SSSI in each state. The majority of designated land is in a favourable or unfavourable but recovering condition. Of the total 156.89 hectares of designated land, 16.19 hectares (Wilsford Heath Quarry) is in an unfavourable declining condition which is an overall percentage of 10.3%. No sites were assessed during 2018/19.

**Table 17 – SSSI condition assessment**

SSSI site	Latest assessment date	Area (ha)	Favourable (%)	Unfavourable – recovering (%)	Unfavourable – no change (%)	Unfavourable – declining (%)	Partially destroyed (%)	Destroyed (%)	Not assessed (%)
Potterhanworth Wood	08/06/09	33.08	100						
High Dyke	01/08/11	6.77		100					
Metheringham Heath Quarry	09/07/10	12.94	100						
Wilsford Heath Quarry	29/07/10	16.19				100			
Wilsford & Rauceby Warrens	27/08/13	57.4		100					
Doddington Clay Woods	30/03/15	23.87	100						
Copper Hill, Wilsford	20/10/11	6.64	70.05	29.95					

## ***Non-Statutory Sites***

### **Local Wildlife Sites (LWS) in North Kesteven**

5.7 LWSs and Local Geological Sites are sites selected by the Greater Lincolnshire Nature Partnership (a group of partnership organisations and individuals affiliated to the Greater Lincolnshire Biodiversity Partnership). LWSs have no statutory protection but are recognised as a material consideration. There are 161 locally designated sites in North Kesteven. The proportion of local sites where positive conservation management is being achieved is a proxy measure of local biodiversity and is used by central government to assess the performance of local authorities. In this monitoring period, 33% of sites within North Kesteven are in positive conservation management. Remains the same as the previous monitoring year. In line with Defra guidance, where management evidence is more than five years old or has never been recorded, these sites have been identified as being in negative management status. An additional two LWSs were designated during the monitoring period.

**Table 18 – Sites with local environmental designations**

Information on locally designated sites	Data
Local Wildlife Sites	153
Local Geological Sites	8
Sites where positive conservation management is being achieved	53 (33%)

## Renewable Energy Generation

5.8 This data looks at the energy generation capacity provided from renewable energy sources granted planning permission during the monitoring period.

**Table 19 – Non-domestic renewable energy projects granted planning permission during 2018/19**

Type of renewable energy	Energy production (kW)	Site area (ha)
Biomass	340	0.58
Photovoltaic	0	0
Wind	0	0

## Co2 Emissions in North Kesteven in Lincolnshire

5.9 Table 20 below identifies the local Co2 emission estimates for North Kesteven and surrounding districts in Lincolnshire. The figure for North Kesteven is recorded at its lowest during the Local Plan period at 5.2 tonnes/annum per capita. There is a two year delay in receiving this information.

<https://www.gov.uk/government/collections/uk-local-authority-and-regional-carbon-dioxide-emissions-national-statistics> Data has been taken from the 2005-2016 UK local and regional Co2 emissions – data tables.

**Table 20 – Local Co2 emission estimates**

Estimates of CO2 emissions in tonnes/annum per capita (i.e. per head of population)						
Local Authority area	2012	2013	2014	2015	2016	2017
Boston	6.3	6	5.4	5.4	4.8	4.6
East Lindsey	6.7	6.4	5.9	5.7	5.5	5.2
Lincoln	5	4.9	4.1	4	3.7	3.5
<b>North Kesteven</b>	<b>6.5</b>	<b>6.4</b>	<b>5.9</b>	<b>5.7</b>	<b>5.4</b>	<b>5.2</b>
South Holland	7.4	7.1	6.6	6.1	5.8	5.4
South Kesteven	7.7	7.5	6.8	6.6	6.3	6.2
West Lindsey	7.2	6.9	6.3	6.1	5.8	5.7

*Table updated to reflect the latest release of data meaning some slight changes to the figures that were included in last year's report.*

## **6.0 Conclusion and Next Steps**

- 6.1 This is the ninth AMR where North Kesteven has been part of the Central Lincolnshire Local Plan Team. This AMR reports performance against core output indicators, indicators set by the previous Government to monitor local planning authority performance. It is important to continue to monitor performance to measure the effectiveness of our policies and decisions. The Central Lincolnshire Local Plan Team will be working with others on developing local indicators and targets as part of the Local Plan which will form the basis of future AMRs. In addition, future AMRs will be informed by any approach enacted by the Localism Bill and any future national policy and guidance.
