

Meeting:	Planning Sub-Committee
----------	------------------------

The Agenda

The agenda for tonight's meeting has been published and can be found at <https://democracy.n-kesteven.gov.uk/ieDocHome.aspx?bcr=1>

Paper copies are also available – please see the Democratic Services Officer if you wish to have a copy.

Running Order of Business

The Chairman usually allows applications involving speakers to be heard first and this may be different from the order in the meeting agenda. A number of other factors may also affect the order of business and applications can be withdrawn at short notice.

A public speakers list is distributed before the meeting, advising of the running order.

Process for tonight's meeting

The process for each application is as follows:

- ☑ A Planning Officer will introduce the item
- ☑ Speakers will then be allowed 5 minutes each in the following order (speakers must have previously registered):
 - Objector
 - Town/Parish Council
 - Applicant/Supporter
- ☑ Members of the Committee may then ask speakers questions.
- ☑ Local Ward Members may address the Committee to speak on behalf of residents in their Ward.
- ☑ Members of the Committee then discuss and consider the application.
- ☑ When Councillors are ready to make their decision, one Member will 'propose' and another will 'second' a motion to either approve, defer or refuse an application and a vote is then taken to make the decision.
- ☑ The vote is a majority vote using a show of hands for all those Councillors who are in favour, against or wish to abstain.
- ☑ The Chairman will announce the decision.

Accessibility

Hearing loops are available if required - please see the Democratic Services Officer if you require one. Meetings can reach full capacity and seats are allocated on a first come first served basis.

In the event of an emergency
