

POLICY IN RELATION TO SEX ESTABLISHMENT LICENSING

LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982 (AS AMENDED BY SECTION 27 OF THE POLICING AND CRIME ACT 2009)

North Kesteven District Council has adopted Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended by Section 27 of the Policing and Crime Act 2009) so that we can licence sex shops, sex cinemas and sexual entertainment venues in the District. In this policy, we refer to these as “sex establishments” unless we say otherwise.

We do not make a moral stand in adopting this policy. We recognise that Parliament has made it lawful to operate a sex establishment, and that such businesses are a legitimate part of the retail and leisure industries. It is our role as a Licensing Authority to administer the licensing regime in accordance with the law.

The 1982 Act and the 2009 Act can be viewed at www.opsi.gov.uk.

In developing this policy, we took into account the legal requirements of the 1992 Act and our duties under:

- a) Section 17 of the Crime and Disorder Act 1998 to take all reasonable steps to reduce crime and disorder within the District
- b) The Regulators’ Compliance Code (set out under the Legislative and Regulatory Reform Act 2006) not to impede economic progress by the regulations we set out and to particularly consider the impact of regulations on small businesses; and
- c) The Provision of Services Regulations 2009 to ensure requirements are:
 - i. Non- discriminatory
 - ii. Justified by an overriding reason relating to the public interest
 - iii. Proportionate to that public interest objective
 - iv. Clear and unambiguous
 - v. Objective
 - vi. Made public in advance, and
 - vii. Transparent and accessible

The District of North Kesteven

North Kesteven District Council, referred to in this policy as “the Council”, is situated in the county of Lincolnshire, which contains 7 district councils in total. The council area has a population of 105,700 covering an area of 356 square miles, and represents a large diverse rural area, stretching from the river Witham in the east almost to the river Trent in the west. The council has 2 urban areas comprising of Sleaford, with a population of over 17,000 in the south of the district and North Hykeham, with around 13,500 residents, in the north of the district. Additionally there are 100 villages and hamlets in the district with 10 larger villages that have populations over 2,500. At the time of adopting this Policy the Licensing Authority was responsible for the following number of premises licences and permits:

At the time of drafting this Policy, there are no premises that currently require licensing as sex shops under the 1982 Act. There are no premises authorised under the Licensing Act 2003 to provide entertainment that would require licensing as a sexual entertainment venue.

Commenting on Licence Applications

Unlike some other licensing regimes (such as for alcohol, entertainment, or gambling), a wide range of people can raise objections about sex establishment licences; the Police are a statutory consultee for all applications.

Objectors should have something to say which is relevant to consideration of the statutory grounds for refusal that are set out in the 1982 Act.

We take the following approach to deciding applications:

- a) Each case will be decided upon its merits. This Authority will not apply a rigid rule to its decision making;
- b) Objectors can include residents'/ tenants' associations, community associations and trade associations. Councillors may represent interested parties, providing they do not also sit on the Licensing Panel determining the application in question.
- c) We will give clear reasons for our decisions.

We will not consider objections that are frivolous or vexatious, or which relate to moral grounds (as these are outside the scope of the 1982 Act). Decisions on whether objections are frivolous or vexatious will be made objectively by our Officers and not on the basis of any political judgement. Where objections are rejected, the objector will be given a written reason. A Report will be made to our Licensing Panel determining the application (if appropriate), indicating the general grounds of the representation and the reason it was rejected.

A vexatious objection is generally taken to be one which is repetitive, without foundation or made for some other reason such as malice. A frivolous objection is generally taken to be one that is lacking in seriousness.

Objections will be considered by the full Licensing Panel; we give both applicants and objectors an equal opportunity to state their case in accordance with our protocol, which is available from the Licensing Team.

Objections should ideally:

- Be made in writing (unless submitted electronically).
- Indicate the name and addresses of the person or organisation making the representation.
- Indicate the premises to which the objection relates.
- Indicate the proximity of the premises to the person making the objection. A sketch map or plan may be helpful to show this.
- Clearly set out the reasons for making the objections.

Exchange of Information

The Authority may from time to time exercise its' powers under Section 115 of the Crime and Disorder Act 1998 to exchange data and information with the Police and other partners to fulfil its' statutory objective of reducing crime in the area.

Details of applications and objections which are referred to a Licensing Panel for determination will be published in Reports that are made publicly available in accordance with the Local Government Act 1972 and the Freedom of Information Act 2000.

Where requested the names and addresses of objectors will not be disclosed to applicants or published in public reports in accordance with the Local Government (Miscellaneous Provisions) Act 1982. Such details will be made available to Councillors on the Licensing Panel.

Compliance and Enforcement

This Authority will keep itself informed of developments as regards the work of the Better Regulation Executive and other Central Government bodies in its consideration of the regulatory functions of Local Authorities.

We recognise that sex establishments are not generally a source of crime or disorder. We will adopt a light touch inspection regime, carrying out simple inspections of premises no more than once a year unless exceptional circumstances require otherwise.

Our approach to enforcement is set out in our enforcement policies, which are available on request.

SEX SHOPS

Significant Degree

Licenses for sex shops are required where there are 18R films being sold, or where there is a "significant degree" of "sex articles".

The phrase "sex articles" is defined in the 1982 Act, but the phrase "a significant degree" is not. When considering whether or not a business is selling a significant degree of sex articles and needs a licence, we will consider:

- a) The ratio of sex articles to other aspects of the business
- b) The absolute quantity of sales
- c) The character of the remainder of the business
- d) Turnover
- e) Other factors which appear to be materially relevant.

Relevant Localities

There are some specific grounds for refusing sex establishment licences set out in paragraph 12 of schedule 3 to the 1982 Act. These include where the

applicant is unsuitable to hold a licence, due to their age, domiciliary status or previous criminal convictions.

We can also refuse applications for new or renewed licenses where:

- a) The number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number, which we consider appropriate for that locality.
- b) The grant or renewal of the licence would be inappropriate, having regard to
 - i. The character of the relevant locality, or
 - ii. The use to which any premises in the vicinity are put, or
 - iii. To the layout, character or condition of the premises.

We recognise that different parts of our District have different characteristics; the number or numbers of sex shops appropriate for a particular locality can be set by the Authority.

At the time of adopting this policy the Authority had not set a number for any locality within the District. If a number is set then this Authority will indicate the locality, number of sex shops and the reason for the number.

This table is not exhaustive and we would consider representations from applicants as to why our view should be changed about any particular locality. Where this is likely to affect existing licence holders, we will give at least two months' notice in which they may make representations. In considering the characteristics of a locality we shall particularly take account of the density and proximity of:

- Residential accommodation
- Parks and children's play areas
- Other retail units (and their uses)
- Schools
- Religious and communal buildings
- Alcohol or entertainment licensed premises

Length of licence

We will, unless there are exceptional reasons otherwise, grant licences for the maximum duration of a year at a time to provide certainty to those operating businesses.

Waivers

We do not consider it would be appropriate to permit waivers from the requirements to hold a sex establishment licence, except in extreme circumstances considered by our full Licensing Panel (for example, to allow a temporary re-location of a business following damage to licensed premises).

Application form

We have a standard application form, including public notices, which are available on request from our Licensing Team.

Licence Conditions

We have adopted standard conditions for the operation of sex shops that are set out at **Appendix I** of this Policy. Where it is reasonable and necessary to do so, our Licensing Panel will impose additional proportional conditions on a licence. Wherever possible, these will be discussed in advance with operators by our Licensing Officers.

Fees

Our fees are set each year and details are available from our Licensing Team.

SEX ENTERTAINMENT VENUES

Relevant Entertainment

Licences for sexual entertainment venues are required for “any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer”.

“Relevant entertainment” is defined in schedule 3 (as amended by section 27 of the Policing and Crime Act 2009) as “any live performance or live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of an audience (whether by verbal or other means)”. An audience can consist of just one person, e.g. in a private booth.

In deciding whether entertainment is “relevant entertainment” we will judge each case on its merits, but will generally apply to:

- Lap dancing
- Pole dancing
- Table dancing
- Strip shows
- Peep shows
- Live sex shows

Adult entertainment not classed as “relevant entertainment” may still require licensing under the Licensing Act 2003. Further information is available from the Licensing Team.

Relevant Localities

There are some specific grounds for refusing sex establishment licences set out in Paragraph 12 of Schedule 3 to the 1982 Act. These include where the applicant themselves are unsuitable, due to their age, domiciliary status or previous criminal convictions.

We can also refuse applications for new or renewed licences where:

The number of sex entertainment venues in the relevant locality at the time the application is made is equal to or exceeds the number, which we consider appropriate for that locality.

- a) The grant or renewal of the licence would be inappropriate, having regard to
 - i. The character of the relevant locality, or
 - ii. The use to which any premises in the vicinity are put, or
 - iii. To the layout, character or condition of the premises.

At the time of adopting this policy the Authority had not set a number for any locality within the District. If a number is set then this Authority will indicate the locality, number of sex entertainment venues and the reason for the number.

This table is not exhaustive and we would consider representations as to why our view should be changed about any particular locality. Where this is likely to affect licence holders, we will give at least two months' notice in which they may make representations. In considering the characteristics of a locality we shall take account of the density and proximity of:

- Residential accommodation
- Parks and children's play areas
- Other retail units (and their uses)
- Schools and nurseries
- Religious and communal buildings
- Alcohol or entertainment licensed premises

Length of licence

We will, unless there are exceptional reasons otherwise, grant licences for the maximum duration of a year at a time to provide certainty to those operating businesses.

Waivers

We do not consider it would be appropriate to permit waivers from the requirements to hold a sexual entertainment venue licence, particularly as the legislation allows relevant entertainment on an infrequent basis of no more than eleven occasions within a 12 month period, providing there is at least one month between each period of entertainment which itself does not last for more than 24 hours.

Application form and operating schedule

We have a standard application form, including public notices, which are available on request from the Licensing Team. As part of the application, the applicant will have to submit an Operating Schedule showing how the licensee will operate the premises, so as to comply with the standard conditions detailed at Appendix II of this document, together with a plan showing:

- the area where the entertainers perform,
- the means of access and egress to and from the performance area,
- the performers' dressing room,
- the seating layout for the customers.

The operating Schedule will detail:

- stewarding arrangements, including the means by which physical contact between the audience and performers will be prevented.
- the appearance and content of any advertising material outside and inside the premises.
- the means by which potential customers will be made aware of the nature of the performance.

Licence conditions

We have adopted standard conditions for the operation of sexual entertainment venues set out at **Appendix II** of this Policy. Where it is reasonable and necessary to do so our Licensing Panel will impose additional proportional conditions on a licence. Wherever possible, these will be discussed in advance with operators by our Licensing Officers

Licence conditions - private booths or performing areas

There will be a presumption against granting consent for private booths or private performing areas on the premises, unless the Council are satisfied that the relevant risk assessments have been undertaken and adequate safety measures and assurances are in place.

Fees

Our fees are set out each year and details are available from our Licensing Team. We charge separate fees for applying for a licence, renewing a licence and for making major and minor variations to a licence.
