

Small Bodies in England

Annual return for the financial year ended 31 March 2014

Small relevant bodies in England with an annual turnover of £6.5 million or less must complete an annual return in accordance with proper practices summarising their annual activities at the end of each financial year.

The annual return on pages 2 to 5 is made up of four sections:

- Sections 1 and 2 are completed by the person nominated by the body.
- Section 3 is completed by the external auditor appointed by the Audit Commission.
- Section 4 is completed by the body's internal audit provider.

Each body must approve this annual return no later than 30 June 2014.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all sections highlighted in red. Do not leave any red box blank. Incomplete or incorrect returns require additional external audit work and may incur additional costs.

Send the annual return, together with your bank reconciliation as at 31 March 2014, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to your external auditor by the due date.

Your external auditor will identify and ask for any additional documents needed for audit. Therefore, unless requested, do not send any original financial records to the external auditor.

Audited and certified annual returns will be returned to the body for publication or public display of sections 1, 2 and 3. You must publish or display the audited annual return by 30 September 2014.

It should not be necessary for you to contact the external auditor or the Audit Commission directly for guidance.

More guidance on completing this annual return is available in the Practitioners' Guides for either local councils or internal drainage boards. These publications may be downloaded from the National Association of Local Councils (NALC) or Society of Local Council Clerks (SLCC) websites (www.nalc.gov.uk or www.slcc.co.uk) or from the members area of the Association of Drainage Authorities website (www.ada.org.uk).

On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Guidance notes on completing the 2013/14 annual return

- 1 You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guides* which are updated from time to time and contain everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you may encounter.
- 2 Make sure that your annual return is complete (i.e. no empty red boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the body, properly initialled and an explanation is provided to the external auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a member or the Chair, to review your annual return for completeness before sending it to the external auditor.
- 4 Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must notify the external auditor of any change of Clerk, Responsible Financial Officer or Chair.
- 5 Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your body holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the Accounting statements. You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guides*.
- 6 Explain fully significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guides* to assist you.
- 7 If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2013) equals the balance brought forward in the current year (Box 1 of 2014).
- 9 Do not complete section 3. The external auditor will complete it at the conclusion of the audit.
